

JOIN US IN SHAPING THE FUTURE OF SAFETY IN FORT LAUDERDALE

CITY OF FORT LAUDERDALE

**You're invited to be a part of a pivotal project
aimed at enhancing safety in our community!**

We're dedicated to examining safety in Fort Lauderdale and gathering insights from community members like you. We're working with the Bloomberg Harvard City Leadership Initiative in a nine-month training program to learn and adopt innovation techniques. With your valuable input, we're ready to take impactful steps toward enhancing safety perception and reality in our community.
