

TRANSPORTATION RELIABILITY ASSESSMENT OF CROSSINGS

East Sunrise Boulevard Public Workshop

You can help reconnect the East Sunrise Boulevard neighborhood across the railroad tracks and build a safer community for all.

Be part of the conversation! Attend the TRAX Public Workshop to share your ideas about the proposed plans to convert the existing at-grade crossing on the Florida East Coast (FEC) Railway into an underpass at East Sunrise Boulevard and North Flagler Drive. Your input can make a difference.

The workshop will begin with an open house, followed by a brief presentation at 6:15 p.m. The meeting will be held both in person and online via Zoom.
